### **Sanford's Alive After 5 "Back To The Beach Summer Kickoff" Street Festival – Downtown Sanford, Thursday, June 13<sup>th</sup>**

Please join the Historic Sanford Welcome Center at its Alive After 5 (AA5). Central Florida's largest recurring monthly street festival with live music, local artists, community businesses, food and beverage sampling in Downtown Sanford. This event occurs every second Thursday from 5-8pm with a different theme each month.

Get ready to celebrate on June 13th when we go for a "Back to the Beach" theme, kicking off the glorious days of summer! Join us in beautiful historic Downtown Sanford, where First Street is lined with vendors passing out food and drink samples, and showcasing the best of Seminole County and beyond.

It is only \$7 per person to sample all the food and drinks on First Street. Beer and wine will be available for purchase. Listen to live music with a tribute to the voice of summer, Jimmy Buffet.

The Public History Center will be presenting a mobile museum in the Welcome Center Courtyard. Guests of all ages will get to explore a glimpse of summer fun the way it looked in days gone by, with historical toys and games, outfits, a bubble gum contest, and even a chance to make your own lemonade.

We'll have great surprises all night long for the "fun at heart", so throw on your sunscreen, grab your friends and family, and start your weekend early!
